

HERIYTAGE GROUP

HOSPITALITY . REAL ESTATE . AGRO . TEXTILES

The Heriytage Group is a dynamic organization, headquartered in Solapur, India. The journey began in 1968 when Mr. Kantilal S. Shah established the Textile business. From thereon in 1984 the Group forayed into Real Estate. Since 1999, the group has successfully carved a niche in the catering and events business in Solapur and across Maharashtra. The real estate business concentrates on residential apartments and open plotting schemes. The group has recently entered into the Agro farming.

The Heriytage Group's strength is its team-oriented hands-on approach to management, and the solid relationships it has developed within the hospitality and real estate communities.

Led collectively by its two co-founders and a professionally managed executive team who are involved in all facets of operations, The Heriytage Group's ability to act quickly and effectively has reinforced its industry-wide reputation for efficiency and integrity.

The Group's long term vision is to establish, maintain and strengthen its presence in the Hospitality & Real Estate in India. One of the major reasons for the success of this Group has been its belief in practicing the core philosophies of loyalty, trust, transparency, honesty and fulfilling commitments.
